of ok and will undoubtedly put up the best game.

Warrensburg comes to St. Louis with a good record, and it is said that they are stronger than when they appeared here last year. For this reason, Delaney will send in his atrongest team.

The St. Louis hoys have had a hard week of practice, as Delaney has a very good sorub team, and has been sending the regulars in against them for two fifteen-minute halves each day.

Although the regulars always score, they get good exercise and Delaney indones it. PLAYERS TO BE SHIFTED.

While Delaney says that he does not care to take any chances with the War-rensburg team, he thinks that his eleven will be the victor in to-day's contest.

The Christian Brothers' College team will be sent in against the Gem City Col-lege eleven in a crippled condition, but Coach Wibur hopes for the best with his men.

Ratican will be sent in at tall. It has Ratican will play half and a sub will play full.

The Gem City team arrived last night and registered at the Moser. They look to be in fine condition, and while they will outweigh the local boys, the Cote Brilliante lads have no fear.

AVERAGE 155 POUNDS.

The Gems will average 155 pounds, which will be about fifteen pounds to the man heavier than the local team. The latter say they will repeat the stunt of last year and beat the visitors as had as twenty-three to nothing.

With Suwanee having a heavier team; Warrensburg being faster than last season and the C. B. C. bunch on the field in crippled condition, it is hard to tell which will be the best game.

Warrensburg will probably be outdone in weight by the St. Louis U., which will make up for its speed, end C. B. C. will have the advantage in experience, as the Gem boys have not played a game this season.

St. Louis U. Plays Warrensburg, Twenty-Three Preliminaries and Five Semifinals Decided in Tournament.

Delaney's Men and Normal Won By B. Hansen of Brooklyn, N. Y., From F. C. Warmboldt of the North St. Louis Turn Verein.

> Twenty-three preliminaries and five semifinals were decided in the Olympic wrestling tournament at the World's Fair Stadium yesterday.

The shortest bout was the second preliminary of the heavy-weight class, be-tween B. Hansen of the Norwegian Turn Verein, Brooklyn, N. Y., and F. C. Warmboldt of the North St. Louis Turn Verein, St. Louis, won by the former in twentythree seconds. Both men started in at th Hansen caught his opponent gong. around the walst, lifted him up and dropped him on his shoulders in short

Several of the bouts went the limit of six minutes, and in some the referee ordered a second bout of three minutes before rendering a decision.

The fifth bout in the 145-pound prelimwarles was the hardest to decide, and was finally given to Doctor William J. Hennessy, Worcester, Mass., after six minute and three-minute rounds. His opponent was Charles Eng of the Norwegian Turn Verein, Brooklyn, N. Y. Both men were on their feet all the time, except about one minute at the close of the sec ond round, when Hennessy got his man to the floor and held him down until the gong rang.

The fastest and most evenly matched The fastest and most evenly matched event was the IIs-pound preliminary bout between Gus Bauers of the National Turn Verein, Newark, N. J., and W. L. Nelson of the St. George Athletic Club, New York City. Both men were fast and went to work with a will. At the end of the six minutes the referee could not decide and ordered an extra three-minute round. During this round, Nelson threw Bauers, but it was off the mat and was not allowed. At the end of the second round the referee was still undecided and ordered another three-minute round immediately. At the end of the third round Bauers was de-

Albert Comstock Indicted by the Grand Jury for the Death of Joseph Wurth.

Albert Comstock, a former motorman for the East St. Louis street car line, is charged in an indictment returned yesterday with murder in the case of the death of Joseph Wurth, a young man, who was killed on August 29 of this year on St. Clair avenue, East St. Louis. Wurth was driving a dairy wagon,

which was heavily loaded with stock food from a brewery, when the car approached from behind. He did not get off the track quick enough to suit Comstock, and he ran his car against the wagon. and he ran his car against the wagon, nushing it along the street. Several witnesses claimed that Wurth asked Comstock to stop until he could get his wagon out of the way. Suddenly the wagon gave way and the young man was thrown beneath the wreckage. His skull was fractured and he died a short while later. Comstock was arrested and was released on bond. The Grand Jury took up the matter and the indictment charging him with murder, was returned. Comstock was arrested and was role without bond.

When it was announced that the Cardinals would not accept the 30-per-cent proposition made to them. Mr. Hedges proposed to Mr. M. S. Robison to play a double-beader on Saturday, and to this, Mr. Robison agreed, and so stated to the newspaper men who were at the ball park.

Mr. Meroer also made the suggestion of a double-lieader to me. In fact, the Prowner management to me. In fact, the Prowner management accepted the proposition in good faith and expected its fulfillment.

Yenerday, Mr. Hedges told me to say to Mr. Robison that he would play but one game to-day. I so stated to Mr. Hobison, and he fiatly refused to back down from the original garsement, and insists upon the carrying out of the compact to the letter, and, having seven games, as contracted for. Mr. Robison fightly claims that Mr. Hedges cannot arbitrarily call off any game without his consent. That both of them must consent is necessary to cancel the agreement. Mr. Robison should prefuse to cancel one of these games, and it will not be the fault of the Cardinals if two games are not played to-day.

Coach McLean has worked strenuously and conscientiously perfecting his men for this game, and feels that even if compelled to swallow the bitter defeat dose the

cause will not be lack of condition. There never was a team more anxious to win a game than the Tigers are to wrest victory from the Indians to-morrow. A defeat of the Indians would mean almost as much to them as a victory from their bitterest rivals—the Kansas team. A victory would almost assure them of the championship of the Missouri Valley, and, more important still, it would raise the

athletic standing of the university. Quite the most interesting feature of the contest to-morrow is the uncertainty that surrounds it. Even Coach McLean will not venture an opinion as to the result. He says that he really has no idea as to what the developments will be. He saw the Indians play when they defeated the Kansas team.

what the developments will be. He saw
the Indians play when they defeated the
Kansas team.

"I fully believe," said McLean last
night, "that the Indians have the cirongest
team in the West. I saw them play Kansas last week, and formed this opinion
then. The uncertainty lies with my team
Missouri's eleven this season is made up
almost entirely of green, untried material.
The team has won two games, but in
neither was it in condition to do itself
justice. In the Simpson game victory was
so easy that it was not necessary for the
men to extend themselves. In to-morrow's
game they will have to put in their hardest licks from the first nore of the whistle, and what sprt of a showing."

To-morrow's game will give the best
sort of dope on the Thanksgiving game
between the universities of Kansas and
Missouri. The Jayhawkers played the Indians last week and were badly beaten.
If Missouri wins to-morrow, or even holds
the Indians down to one or two touchdowns, their chances of winning from
Kansas will look exceedingly bright. If
they are beaten by a larger score than
that of the Indian-Kansas contest, gloon
will again pervade the lair of the Tiger,
and Missouri supporters will be compelled
to expect defeat.

WILL USE SMALL SUBWAY FOR ALL HAND BAGGAGE.

Union Station Officials to Provide Additional Facilities When the Fair Closes.

With the close of the Fair visitors to St. Louis will enjoy even greater conveniences in the handling of small baggage. Under the present conditions it is impossible for the baggage officials to avail themselves of the small tunnel which extends from the main subway north under

the midway and the first floor of the walt-

ing-room.

Ing-room.

It was proposed that all small baggage should be sent from the trains into the main subway, and from there to the main subway, and from there to the main subway. In the waiting-room a baggage office was to be installed, where the small baggage would await delivery.

But the Terminal lines requested that during the Fair rush the space intended for the baggage-room should be devoted to validating offices, which was done.

Terminal officials now state that as soon as the Fair closes, when there will be no further use for validating offices, visitors to the city can claim their baggage in the main waiting-room, instead of, as at present, being compelled to walk to the Twentieth street end of the midway, where a temporary small baggage-room has been prepared, and to which point all of the small baggage must be taken on trucks.

DR. DUFF'S QUICK, CERTAIN AND SAFE CURE FOR

## VARICOCELI

am a Varicocele Specialist, Not a Pretentions "Cure-All."

My treatment by Acupuncture and Absorption checks the overflow of blood to the scrotal veins and removes the stagnant blood that obstructs the dreulation, so that the ganglionic nerves, the weakness of which causes varicocele, are restored to strength, and normal circulation to the organs is resumed without a sign or symptom of Varicocele ever returning. In treating Varicocele it is always necessary to cure the complications, if the disease has been neglected, which are often worse than the cause, and I never dismiss a patient until I have restored the private organs to their natural size, strength and soundness, revitalized the nervous system so that nervousness disuppears, stopped all vital drains and nightly emissions, revived sexual power and renewed the body with a robust condition and perfect health.

There are thousands of men deceived by unskilled doctors who claim to cure Varicocele by applications of medicines, electricity, suspensories and many other deceptive schemes, and this is why there are so many who have become so skeptical as to think there is no cure for them. There never was a cure for Varicocele except by surgical operation or my methods. Surgical operations are often dangerous, unsuccessful and painful.

Cure, or No Charge—Absolutely no charge for services unless satisfaction is given. Every patient receives a written guarantee to refund every dollar paid for services in a specified length of time if they do not receive a complete, lifelong curs and entire satisfaction, and my well-known financial standing is sufficient evidence to anyone that I am entirely gesponsible for any contract that is not fulfilled.

Consultation Free, Confidential and Invited, both at office and by correspondence. Successful treatment by mail. Terms are always made to suit the convenience of anyone applying for treatment, and very reasonable charges. Do not treat elsewhere until you have investigated my methods and terms. Office hours during week, S a., m. to S p. m. Sundays, S to L.
